

# Red Zebra, A Truth For A Lie

A truth for a lie an eye for an eye  
We all eat  
The american pie

Oh, the worlds at war  
So, dont knock on my door

A truth for a pie  
An eye for an eye  
We all eat  
The american lie

Oh, the worlds a whore  
We all come back for more

Superman, taliban, rich man, poor man  
Everybody seems to have his own clan

Star wars, drug wars, sex wars, holy wars  
Everybody seems to fight his own war

Oh, the worlds a clown  
With jokes that bring me down

A lie for a lie  
A pie for a pie  
An eye for an eye  
But dont ask why  
Why, why, why, why?
