

# Redd Kross, Ann

You took my power and you broke my will  
You made me shiver with a real thrill  
You took my power and you walked on by  
Down the road to the wild song

I looked into your cruel cruel eyes  
I felt so fine, I felt so fine  
I floated in your swimming pools  
I felt so weak I, felt so loose

Ann, my Ann  
I love you  
Ann, my Ann  
I want you right now
