

Redd Kross, Dumb Angel

King arthur he holds his court
The genius wonders what for
Revelations are always ignored

Candy in the currant flow
Telecaster disaster, oh
Is there something that only you know

Dumb angel, can you still fly
With those ugly wings
Pathetic tattered worthless things
Now the sound it has become unclear
Fusing with those voices you hear
Dumb angel, you're going insane

Pimps inspire teenage dreams
Symphonies of napoleon's scheme
Orchestrated grandiose disease

Dumb angel, can you still fly
With those ugly wings
Pathetic tattered worthless things
Now the sound it has become unclear
Fusing with those voices you hear
Dumb angel, you're going insane

You've smashed your instrument
Silence is so soft and sweet
You turn them on
But there's no one left to please

Find your head
Just remember what you said

What you've gone and done now dumb angel
What you've gone and done now dumb angel
What you've gone and done now dumb angel

Dumb angel, can you still fly
With those ugly wings
Pathetic tattered worthless things
Now the sound it has become unclear
Fusing with those voices you hear
Dumb angel, you're going, you're going, you're going,
You're going insane
Going insane
