Redd Kross, Frosted Flake

She got a frosted flake face
A Raisin Bran Brain
She's tryin' to tell me that I'm insane
(She's tryin' to tell me that I'm insane)

Maybe I'm crazy
Maybe she's right
But I ain't sleeping with her tonight
(I ain't sleeping with you tonight)

There's just one thing that I think you should know
So Baby, baby, don't touch my arpeggio

And while you're at it - get off of my planet
(get off of my planet!)

Your obnoxious intrusions
Your cocaine delusions
All the trouble that you make

I guess you'll always be just a frosted flake

Got some old man to get her what she needs
She don't gotta beg - she just tease
(She don't beg - she just tease)

Maybe I'm crazy
Maybe she's right
But I ain't sleeping with her tonight
(I ain't sleeping with you tonight)

There's just one thing that I think you should know
So Baby, baby, don't touch my arpeggio

And while you're at it - get off of my planet
(get off of my planet!)

Your obnoxious intrusions
All the trouble that you make

I guess you'll always be just a frosted flake
Just a frosted flake!
Yeah, frosted flake!
Just a frosted flake, yeah!
