

Redd Kross, Janus, Jeanie And George Harrison

Frankincense and myrrh
Are the odors that are her
Mystical being with eyes of coal
That sacred substance
Will bruise your soul
On a boat with Janus, Jeanie, and George Harrison
When Jesus Christ Superstar was crucified
The Beatles were still making noise

A wind blowing kiss
Is what you'll catch
With a dress of night
and a cape to match
Whistling in your state high above

Tobasco is hot; some call it love!

Eating cake with Janus, Jeanie, and George Harrison
When Jesus Christ Superstar was crucified
The Disposals were still making noise

Janus, Jeanie, and George Harrison!
Janus, Jeanie, and George Harrison!
Janus, Jeanie, and George Harrison!
Janus, Jeanie, and George Harrison!

On a boat with Janus, Jeanie, and George Harrison!
When Jesus Christ Superstar was crucified
The Beatles were still making noise
Eating cake with Janus, Jeanie, and George Harrison!
When Jesus Christ Superstar was crucified
The Disposals were still making noise!
