

# Rediscover, Kiss Me

I take a breath  
And look around  
To see you  
Seeing me seeing you  
You wear a dress  
That I couldn't help but notice doesn't match your shoes

But you don't care you're too busy dancing the night away x2  
No, you don't care you're too busy laughing the night away x2

I don't want you to leave  
Without dancing with me  
I don't want you to leave  
Before you kiss me  
So go and get your keys  
I think that we should leave  
I really think he sees  
You looking at me

I take a breath  
And turn around  
To check you  
Checking me out so bad  
It's obvious  
As that funny style that you have

But you don't care you're too busy dancing the night away x2  
No, you don't care you're too busy laughing the night away x2

I don't want you to leave  
Without dancing with me  
I don't want you to leave  
Before you kiss me  
So go and get your keys  
I think that we should leave  
I really think he sees  
You looking at me  
x2

I feel alright baby,  
Hold me tight  
Hold me tight, oh! (all through the night)  
x3  
I feel alright  
when you hold me tight, hold me tight

I don't want you to leave  
Without dancing with me  
I don't want you to leave  
Before you kiss me  
So go and get your keys  
I think that we should leave  
I really think he sees  
(I really think he sees)

I don't want you to leave  
Without dancing with me  
I don't want you to leave  
Before you kiss me  
So go and get your keys  
And get ready to leave  
I really hope he sees  
You leaving with me
