My watch do more things than James Bond nigga  
I'm gonna do it now, I ain't gonna try nigga  
(Put it down, put it down, put it down girl)  
You better grind, cause you ain't spending mine girl  
When Timbaland plan and I'll do the ground work  
Whether you in Tims, Air Force, or Converse  
Let me see the high niggas on the left side  
And whole muthafuckas smokin on the right side  
You sayin "fuck Gillahouse" nigga likewise  
This is how I walk up on your ho hey

The flashy ones get robbed in the bathroom  
"Yo get up, yo it's jewelry it's costume" (Hahaha)  
Rollin like drunk cowboys at high noon
