Put them shotguns up in the air and start, pumpin
Real niggaz in the hood don't start, nuttin

Three-wheel motion from me shootin the wheel up

Bananas, antennas can't pick up (doo doo doo doo)
My crew is Triple P, watch us do it
Brook-nam, Shaolin, the T-Dot, Newark
All my shorties skipin school watch truant
Hit the college dorm, make freaks out the students

Niggaz, abandon ship when I'm geared for landing
Your own tec-ll see my grill and start, jamming
Throw your hands up in the air, keep 'em standin
