

# Rednex, Get The Truck Loaded

We get the truck loaded with some chicken and some sheep  
Ket Tackys gonna buy himself new tires to his Jeep  
I say Pigs and pork and hay on forks  
thats our melody  
On the market well be very rich one day youll see

On the market I saw grandma Ruth she offered me a pig  
Damned scary she was very ugly looking in her wig  
so I sure was in a hurry so I threw it in the truck  
Then she got very mad and I said: &quot;Who gives a -----&quot;.

Chorus:

Get the truck loaded weve a long way to go  
Get the truck rollin away from Idaho  
Keep the wheels movin all the way to Walnut Grove  
and I know and I know were gonna see the money flow.

Ken Tacky had discovered that the raisin show was fake  
He had bought the tires Bill had made of his gigantic snake  
he said: &quot;Snakeskin tires!&quot; They will match up perfect with my boots  
Then Bill came running after him the big fat brute!

Father Raskenstam he offered me a chicken with two heads  
I bought it as a present to my stupid uncle Fred  
but the noise he made was awful so I threw him in the truck  
Then he got very mad so I just kicked him in the back

Chorus:
