

# REDZED, DOWN THE GROUND

Six foot deep under the ground  
It's a place where you can't hear a fucking sound  
Down the ground, in the void  
Where I am so paranoid  
In the graveyard, chilling here  
This is such a brooding atmosphere  
Save me, please, I'm in the coffin  
Oh my God! Am I already dying?

And I am six foot deep under the ground  
And I can't hear a sound in here  
And I am six foot deep under the ground  
And I can't hear a sound in here

We will split into parts, and our  
Hearts will fade away like they did  
Our fucking souls will be so shredded  
We will slowly become misfit

And I am six foot deep under the ground  
And I can't hear a sound in here  
And I am six foot deep under the ground  
And I can't hear a sound in here
