

REDZED, Eyes Wide Open

i'm so selfish
I dont even give a damn if you live
I can't be patient in the silence
You won't even believe
I also i thought you were my virus
and i know its in me
my hearth been closed
and my eyes open
I can follow the lead

see me actin like a lunatic
a whisp in my head
sometimes i feel like
givin up and
since i'm losing my hair
i see a ghost up in my bedroom,
with the boots, on a chair,
he's lookin at me with a grin
and got intention to scare

I'M FREINDS WITH SATAN,
AND GAVE HIM EVERYTHING,
I'M EMPTY NOW,
I HAVE TO LISTEN,
AND DRAW THEM CIRCLES,
I AM LOW AND DOWN,
IT'S ALL A TREASON,
AND I AM RUNNING OUT OF ALIBI,
DARKNESS IS MY ONLY VIBE,
KILLED INSIDE AND PARALYZED

i like to see you fail,
i love to see the pain,
oh can you feel the shame,
i'll dig your fuckin' grave
