

REDZED, Hell

It's the graveyard killer, I be underneath the crypt
I know how to summon demons, I can make you feel the heat
All my enemies turned to dust, and all my friends call me the creep
Everyday I'm losing trust, I get no motherfucking sleep
Cause I'm a loner with a death wish, sleeping in the cat piss
Looking in the face of devil, hoping for the death kiss
I'll never forget this, oh, I never forget
Never see the gates of heaven, I be waiting for my death

My feelings haunting me, I
I keep hoping this all is another dream, I
I keep searching for the dope, so I can feel right
I keep living six feet under in the steam, I

I wait, but the gate never open
I keep waiting for the fate, I'm never woken
I'm so sorry for the words I've never spoken
Bitch, I sold my fucking soul and now I'm broken

Mary had a little lamb, Mary had a goat
Then she skinned the motherfucker, little Mary needs a coat
Mary had a little lamb, Mary had a goat
Then she skinned the motherfucker, little Mary needs a coat

My feelings haunting me, I
I keep hoping this all is another dream, I
I keep searching for the dope, so I can feel right
I keep living six feet under in the steam, I
