

REDZED, HONDA DREAM (Where is my mum)

It was yesterday in my Honda Jazz
Tried to fuck your mama, yeah
Her pussy collapsed, I would mind to get it
Then you ask yourself

Where is my mom?
Where is my mom?
Where is my mom?

Where is my mom?
Where is my mom?
Where is my mom?

It was yesterday in my Honda Jazz
Tried to fuck your mama, yeah
Her pussy collapsed, I would mind to get it
Then you ask yourself

Where is my mom?
Where is my mom?
Where is my mom?
