

Reef, Talk To Me

Talk to me
Talk to me
Come show me what you want to be
For i've been dreamin all my life
And i've not woke up from this night

Talk to me
Talk to me
Come show me what you want from me
Cos i've been lookin all my life
For someone who will make me feel
Alright
Alright
Alright
Alright
Huh!

Talk to me
Won't you please
Come wake this pale democracy
Cos i've been strung out by the light
As why you lose your appetite
Chances are
(?)

Come on lets bring this place to life
And make it so we all come in
Alrite
Alrite
Alrite
Alrite
Alrite
Alrite
Alrite

(Guitar Solo)

I think you got a good idea
Why dont you whisper in my ear?
Sweet conversation when you're gone...
I have been searching for some one

Talk to me
Come talk to me
Come show me what you want from me
For i've been looking all my life
For someone who make me feel
Alrite
Alrite
Alrite
