

Reel Big Fish, A Little Doubt Goes A Long Way

I gotta go gotta go gotta go before I do something stupid I gotta go
Gotta go gotta go gotta go before I do something lame
I know it's your fault that I'm in the mess I'm in
And you think I'm cool but I don't man
Maybe it's too soon but I think it's too late
And things like bad timing just won't wait
Maybe it's not right (I have a girlfriend) made a friend tonight (who is a girl and)
I just wanted to talk to you but then I started wondering if she's the one, or not

So I gotta go, gotta go, gotta go before I do something stupid
I gotta go, gotta go, gotta go before I do something lame
I know that flirting is nothing and it should be where it ends
But I know yes I know that I want you for more than a friend
Maybe it's not right (I have a girlfriend) made a friend tonight (who is a
girl and) I just wanted to talk to you but then I started wondering if she's the one

So I gotta go, gotta go, gotta go before I do something stupid but I know,
I know it's too late
