

# Reel Big Fish, Another Day In Paradise

She calls out to the man on the street  
sir, can you help me?  
Its cold and Ive nowhere to sleep,  
Is there somewhere you can tell me?

He walks on, doesn't look back  
He pretends he can't hear her  
Starts to whistle as he crosses the street  
Seems embarrassed to be there

Oh think twice, cause its another day for  
You and me in paradise  
Oh think twice, cause its another day for you,  
You and me in paradise

Just think about it  
Think about it  
Just think about it

She calls out to the man on the street  
He can see shes been crying  
Shes got blisters on the soles of her feet  
She can't walk but shes trying

Oh think twice, cause its another day for  
You and me in paradise  
Oh think twice, cause its another day for you,  
You and me in paradise

Oh lord, is there nothing more anybody else can do  
Oh lord, there must be something you can say

You can tell from the lines on her face  
You can see that she's been there  
Probably been moved on from every place  
Cause she didn't fit in there

Oh think twice, cause its another day for  
You and me in paradise  
Oh think twice, cause its another day for you,  
You and me in para-

Oh think twice, cause its another day for  
You and me in paradise  
Oh think twice, cause its another day for you,  
You and me in para-paradise

Just think about it  
Just think about it  
Think about it  
Just think about it
