

# Reel Big Fish, Average Man

I just became a member of a club known as the bumbling fools  
Botching the game and the best things in life is the motto and the rule  
So if you can open up your heart and hear me out just for tonight  
Baby I got something to prove to you  
I've gotta show you I can do it right

[Chorus:]

Get out  
Don't want to see you again  
Maybe we can still be friends  
I know that I'm gonna go and screw it up in the end  
But that's okay cause I'm your average man

So I turned tail and ran  
And I know you're not my biggest fan  
But whatever you want me to  
You know that I'm gonna do it now or do the best that I can  
So if you can open up your heart and hear me out just one more time  
Baby I've got something to say to you  
I was wrong and the fault is mine

[Chorus]

[Bridge:]

Baby you could do a whole lot better  
But you could definitely do a whole lot worse  
How can I even try to do better  
If you won't give me a chance to be better first

[Chorus]
