

# Reel Big Fish, Big Fuckin' Star

Now that I'm a big star, what am I gonna do?  
I'm so bored counting all my money, I sit here  
and I think of you. It's so easy, its so easy to do.  
I don't even have to try, I don't even want to try,  
Why should I waste my precious time?  
I can't make you love me... but I know you  
will. I'm such an asshole, how could you resist?  
I never meant to let it go to my head, I  
never thought it would come to this.  
it's me... the asshole of your dreams.  
I can't make you love me... but I know you do.  
I'm so cool, no one wants to talk to me  
and I'm so cool, no one wants to look at me.  
I'm so fucking cool, nobody cares at all!  
I'M A BIG FUCKING STAR OH YEA YEA YEA!
