

Reel Big Fish, Dateless Loser

We are all on our own with no one by our side
You are so lucky, beautiful and bright
All the cool kids go steady they're making out at 12-
we sit in our rooms alone
by ourselves it's Friday- no phone call, nobody asked us out

We are the dateless losers- lonely until we die!
So unappreciated, why, why, why, why?

Were not so bad you know, but you wont give us a chance
Take us to the movies, to dinner, or to dance
Not perfect, not too hip- but we need lovin too

We are the dateless losers- lonely until we die!
So unappreciated why, why, why, why?
