

Reel Big Fish, Fuck Off Song

well first off all i would like to say fuck off, fuck off, fuck off, fuck off
if you dont get it why dont you go
shove your head back up your ass
and dont waste my time, i dont need your opinion
cause you dont know what it's like
you dont know what it's
you dont know what it's like to be like me
you dont know so keep your mouth shut
well this may come as kind of a surprise, surprise, surprise, surprise
i dont like you and i dont care
what you think about what i do
and most of all i dont need your opinion
you dont know what it's like
you dont know what it's like
you dont know what it's like to be like me
you dont know so keep your mouth shut
well finally that's the way it is
i like something you dont
and you're telling me it's shit
but it's a waste of time
you can't change our opinions
(you know what else)
i dont know what it's like
i dont know what it's like
i dont know what it's like to be like you
i dont know so i keep my mouth
