

Reel Big Fish, I'll never be

Everybody's lookin' at me
Thought I saw my face on MTV
Or a magazine that she won't read, stole
Her heart but it's not my fault, lookin' at
My picture she forgot about her boyfriend, yea
I'll never be... a rock and roll star
I'll never be... anything, anything at all
Drives me crazy, can't get away
Somebody tell me... when do we get paid?
Everybody's lookin' at me
Thought by now I'd be on MTV
Or a magazine like seventeen or rolling stone
And I won't be alone with your
Money in my pocket and face on your T-shirt yeah
I'll never be... a rock and roll star
I'll never be... anything, anything at all
Drives me crazy, can't get away
But I try and I try and I try and I try
Every day
Every day
Said I'll never be, a rock and roll star
I'll never be... anything, anything at all
