

# Reel Big Fish, I'll Never Be...

Everybody's lookin' at me  
Thought I saw my face on MTV  
Or a magazine that she won't read, stole  
Her heart but it's not my fault, lookin' at  
My picture she forgot about her boyfriend, yea  
I'll never be... a rock and roll star  
I'll never be... anything, anything at all  
Drives me crazy, can't get away  
Somebody tell me... when do we get paid?  
Everybody's lookin' at me  
Thought by now I'd be on MTV  
Or a magazine like seventeen or rolling stone  
And I won't be alone with your  
Money in my pocket and face on your T-shirt yeah  
I'll never be... a rock and roll star  
I'll never be... anything, anything at all  
Drives me crazy, can't get away  
But I try and I try and I try and I try  
Every day  
Every day  
Said I'll never be, a rock and roll star  
I'll never be... anything, anything at all
