

Reel Big Fish, In The Pit

[This song is an old version of "Thank You For Not Moshing" from their '98 CD. It appears on the Goldfinger/Reel Big Fish split 7"; I don't know if it has different lyrics but here is it.]

When I'm in the pit
I'm going to punch and kick
When I'm in the pit
Don't you know, I'm going to fuck up shit
Reel big fish straight down to you woah

Got my wife-beater on
Doc martins on my feet yeah
Running around in a little circle
I'm wondering who to be
And you know it's really cool
'Cause I played football in high school
Gonna push some little girls tonight
Look out now...

When I'm in the pit
I'm going to punch and kick
When I'm in the pit
Don't you know, I'm going to fuck up shit
Reel big fish straight down to you woah

And you wanna be just like me
Wish I could be myself
And you wanna be just like me cause I
Can't think of no one else
And you know it's really great
To punch someone in the face
Gonna push some little girls now
Look out now...

When I'm in the pit
I'm going to punch and kick
When I'm in the pit
Don't you know, I'm going to fuck up shit
Reel big fish straight down to you woah

Got my wife-beater on
Doc martins on my feet yeah
Running around in a little circle
I'm wondering who to be
And you know it's really cool
'Cause I played football in high school
Gonna push some little girls tonight
Look out now...

When I'm in the pit
I'm going to punch and kick
When I'm in the pit
Don't you know, I'm going to fuck up shit
Reel big fish straight down to you woah
