

# Reel Big Fish, It's Not Easy

He has the head of a camel,  
the neck of a crocodile  
It sounds kind of strange  
He's both a fish and a mammal  
And I hope he'll never change

'Cause it's not easy  
To find someone who cares  
It's not easy to find magic in pairs  
I'm glad I found him  
I love him, I won't let him get away  
'Cause it's not easy.

You say the head of a camel  
The neck of a crocodile  
And the ears of a cow!  
It's clear that friends can be different  
Yes, I understand you now

'Cause it's not easy  
To find someone who cares  
It's not easy to find magic in pairs  
Now that you found him, hold him  
Treasure him from day to day.  
'Cause It's so easy.

Life is lollipops and rainbows  
with the one you love  
Someone you can always be with  
Argue and agree with ...  
Climb the highest tree with (tree with)

It's not easy to share somebody's dream  
It gets easy  
When you work as a team  
You've got to tend it, and fan it  
That's what I plan to do.

I had one friend by my side....  
Now I have two...  
Him and you...  
Him and me...

And it's so easy.

That's how the dragon talks ... in the movie, like that ...
