

Reel Big Fish, Rice Krispies

Everyday I hear that sound, I hop out of bed.
'Cuz Rice Krispies cereal is singin' in my head
A song so irresistible I want to hear it all
Just a splash of ice cold milk and it begins to call.

Snap, Crackle, Pop ... that's who we are
Snap, Crackle, Pop ... but the sound's the star
Snap, Crackle, Pop ... yeah, the sound's the star
