

# Reel Big Fish, Sell Out

[verse]

well, I know you can't work in fast food all your life  
but don't sign that paper tonight, she said,  
but it's too late.

And I don't remember what I read,  
don't remember what they said,  
I guess it doesn't matter,  
I guess it doesn't matter anymore.

[chorus]

you're gonna go to the record store  
you're gonna give 'em all your money  
radio plays what they want you to hear  
they tell me it's cool but I just don't believe it...

sell out, with me oh yea, sell out, with me tonight  
record company's gonna give me lots of money  
and everything's gonna be (all right).

[verse]

no more flippin' burgers puttin' on my silly hat  
you know I don't want that no more,  
And I didn't ask when we'd get paid, I quit my day job anyway,  
I guess it doesn't matter, I guess it doesn't matter anymore

[chorus]

You're gonna go to the record store,  
you're gonna give 'em all your money,  
radio plays what they want you to hear,  
they tell me it's cool, I just don't believe it

sell out, with me oh yea, sell out  
with me tonight, the records company's only give me  
lots of money and everything's gonna be.

[bridge]

I don't think it'll be so bad  
I know it won't be so bad  
cause the man said "that's the way it is"  
and the man said "it don't get better than this"; no no no noo

[chorus]

so I signed on to the record company,  
they say they're gonna give me lot's of money,  
if I play what they want you to hear  
they tell me it's cool, and I sure believe it...

sell out, with me oh yea, sell out, with me tonight  
the record companies gonna give me lots of money and  
everything's gonna be (all right).
