

Reel Big Fish, Why Do All Girls Think They're Fat?

There's a little girl on my mind
Little girl all the time
Little girl, there's always one
Little girl, look what she's done

She makes me look at her thighs
You know I don't have to lie
But what can I tell her?
You know she's so beautiful
Man, why do all girls think they're fat?

Hey hey hey, she's so pretty
Heh hey hey, my friend
Hey hey hey, I feel stupid again

She said, "It's all right"
She said, "Come over tonight"
She said, "Mom's not home"
She said, "I'm all alone"

She drove me back to her house
She pushed me down on the couch
She said "Now it's all right
We're gonna just be friends
'Cause that kissing only leads to the end"

Hey hey hey, she's so pretty
Heh hey hey, my friend
Hey hey hey, I feel stupid again

Hey hey hey, she's so pretty
Heh hey hey, my friend
Hey hey hey, I feel stupid again

Hey hey hey, she's so pretty
Heh hey hey, my friend
Hey hey hey, I feel stupid
