

# Reel Big Fish, Why do all the girls think they're fat

(1,2,3,4 - 1,2,3,4) Go!

There's a little girl

On my mind (little girl)

All the time (little girl)

There's always one (little girl)

Look what she's done

She makes me look at her thighs

You know I don't have to lie

But why can't I tell her

You know she's so beautiful

But why do all girls think they're fat?

Hey, hey, hey, she's so pretty

Hey, hey, hey, my friend

Hey, hey, hey, I feel stupid, again

She said "it's all right";

(She said) "Come over tonight";

(She said) "Mom's not home";

(She said) "I'm all alone.";

She drove me back to her house

She pushed me down on her couch,

She said "Now it's all right";

"We're gonna be good friends";

"Cause' that kissin' only leads to the end";

Hey, hey, hey, she's so pretty

Hey, hey, hey, my friend

Hey, hey, hey, I feel stupid, again

Hey, hey, hey, she's so pretty

Hey, hey, hey, my friend

Hey, hey, hey, I feel stupid, again

Hey, hey, hey, she's so pretty

Hey, hey, hey, my friend

Hey, hey, hey, I feel stupid
