

# Reffer, Neutral

What's your position? your definition? No matter your questions say yes or no!

We forbid your omission, a new war will come to leave the breakdown our weapons need your vote

os EUA por varias dcadas vem esmagando e explorando o terceiro mundo deliberadamente, e esto atentados polticos, embargos econmicos, intervencionismo, uniteralismo em questes globais, ataq

I just want your permission to bring my revenge

so give me your badge or no... let's create our links and enemies

O fundamentalismo americano a grande fonte responsvel pelo terrorismo na Terra

One more great imperial game we'll play. trust in my truism! fuck the rejections.

Hidding intentions about world instructions you can't be neutral, less or more, let's fight together ag history made by greed, hypocrite democracy, imperealist hegemony.
