

# Reflection Eternal, Big Del From Da Natti

(Big Nel)

Let 'em know how we do it down in the C.O.  
we 'bout to get the thang started  
Know what I'm sayin'? The year 2000

I'm 'bout to let these muthafuckas know, Big D representin'  
All the way from the C.O.  
Cincinnati, Ohio - that's what it is  
Ay yo I'm givin' some shout-outs to my kids  
I'm just a real-ass nigga from the Natti I used to drive caddies  
And used to be a Pimp daddy  
And now I chill in the studio, roll wit' my niggas  
And we sippin' on Henny though  
Yeah, I like to smoke on the hydro  
Go to the club, might pick up a freaky ho  
Yeah, what's up my niggas? We doin' it like that  
While we in the bank countin' figures  
You know how we gettin' things started down here in the Natti  
You know, Come down here you kick it with me, Big D  
Y'know, ride out, get cloud out, smoked out, know what I'm sayin'  
Get things poppin'  
You know how we do it, got the forty fluid  
Know what I'm sayin', yeah, yeah
