

Refused, Crusader Of Hopelessness

Stretch out in your christ pose
Marionette of lost hope
Your sadness at the expense of the world
Your dying to be this
Your living to be this

Energy
Wasted
Feeling sorry for ourselves
We didn't deserve it
We didn't deserve it

Using a thousand apologies
As a thousand excuses for
Making the same mistakes

Crusader of hopelessness
Crucified by yourself
What d'you know about suffering?
So full of reason not to see
The possibilities to change

This
Suffocation
Turn it into focus
Cos we don't need this
Cos we don't need this

Using a thousand apologies
As a thousand excuses for
Making the same mistakes

Forget about your selfpity
Forget about your petty problems
Forget about your small world

Forget about your selfpity
Forget about your petty problems
Forget about your small world

Forget about your selfpity
Forget about your petty problems
Forget about your small world

Forget about your selfpity
Forget about your petty problems
Forget about your small world

Using a thousand apologies
As a thousand excuses for
Making the same mistakes, yeah!
