

Refused, I Wish

I wish that I, I wish that I, I wish that I - could pick myself up
I wish that I, I wish that I, I wish that I - could pick myself up
I wish that I, I wish that I, I wish that I - could pick myself up
I wish that I, I wish that I, I wish that I - could pick myself up
I wish that I, I wish that I, I wish that I - could pick myself up
I wish that I, I wish that I, I wish that I - could pick myself up
I wish that I, I wish that I, I wish that I - could pick myself up
I wish that I, I wish that I, I wish that I - could pick myself up

Trapped imprisoned, I know no other way to be
No matter how hard I try I'm never going to be really free
Surrounded by lies, try to hold my integrity
Searching for a higher goal, trying to find the real me

I wish that I, I wish that I
Could change my values and ignore the hate inside
I wish that I, I wish that I
Could put the pieces back and make another try
I wish that I, I wish that I
Could change my values and ignore the hate inside
I wish that I, I wish that I
Could put the pieces back and make another try

Being dragged down in this ocean of fools
Their golden horse god, obey the master, money rules
Try to reach the surface but my emotions drag me down
I can't control myself, my rage makes me drown

I wish that I, I wish that I -
Could change my values and ignore the hate inside
I wish that I, I wish that I -
Could put the pieces back and make another try
I wish that I, I wish that I -
Could change my values and ignore the hate inside
I wish that I, I wish that I -
Could put the pieces back and make another try

I try, I try, I try to look beyond the whole
It's time to realize there's gotta be something more
In acts of selfishness we tend to ignore
What we really are living for
