

# Regard x Troye Sivan x Tate McRae, You

When i try to fall back  
I fall back to you  
When i talk to my friends  
I talk about you  
When teh hennessey's strong  
All i see is you  
Is you , is you  
I do!

No, i heaven't moved on  
But trust me i've tired  
If i give you a call  
Don't hang up tonight, yeah!
