

Reggie And The Full Effect, Apocalypse Wow!

I think it's been too long
For this to all go wrong
You lost but thought you win
I wont try this again
You played yourself in front of me
To save yourself some dignity
And if you die before you should
Atleast you know that you'll looked good

So tell me hows the rest?
I'm fine with 2nd best
It's all that I can say
Not coming back this way
For all the kids you say you hate
But now you say it's only fake
So if you die before you wake
I pray the lord your not a fake

You'll never be ready for me
You'll never be ready for me

So this is how it ends
Redefined all your friends
It doesn't have to be
This way for you or me
You played yourself in front of me
To save yourself some dignity
And if you die before you should
Atleast you know that you'll looked good

You'll never be ready for me
You'll never be ready for me
