

# Reggie And The Full Effect, Better For You

There's a golden rule  
Says I'll play a fool

Think I will

Now you'll figure out,  
What it's all about

And I will

Better for you, better for you  
Better for you than me

Better for you, better for you  
Better for you than me

Now, sorry never saves your mind, I never wanted to be  
Separate your problem my eyes

Heaven know what ever made me  
My own mind will drive me crazy

Better for you, better for you  
Better for you than me

Better for you, better for you  
Better for you than me
