

# Reggie And The Full Effect, Thanks For The Misery

How did you do this to me?  
How could you do this to me?

I guess I'm horrible for you  
I guess it's what the people do  
I heard you're moving out of here  
You know I'm getting out

What was the point of all of this?  
What was the point of our first kiss?  
I guess the news I heard was true  
The news I heard came from you

I guess I'm horrible for you  
I guess it's what the people do  
I heard you're moving out of here  
You know I'm getting out

I hope that things work out for you  
I hope that he works out for you  
I wish that we worked out for you  
I know we'd never work for you

I guess I'm horrible for you  
I guess it's what the people do  
I heard you're moving out of here  
You know I'm getting out

I hope that things work out for you  
I hope that he works out for you  
I wish that we worked out for you  
I know we'd never work for you

I guess I'm horrible for you  
I guess it's what the people do  
I heard you're moving out of here  
You know I'm getting out
