

# Regina Regina, More Than I Wanted To Know

(Bob Regan/Michael Noble)

I wanted to know about tenderness  
About the magic in a kiss and all the rest  
It was easy for you to play the part  
Of a romeo to my willing heart  
I gave it freely  
Oh you showed me

Chorus:

Just a little more than I wanted to know  
Just a little further than I wanted to go  
I found out if you twist me, turn me, sooth me, burn me  
You leave me all mixed up  
Thats just a little more than I wanted to know about love

Its a real good lesson I learned from you  
The more you give the more you stand to lose  
I gave my all, hey thats the deal  
But what I got was all to real  
The joy and the lonesome  
The good and then some

(Repeat Chorus)

Just a little more than I wanted to know  
Just a little further than I wanted to go  
I found if you heal me, break me, kill me, save me  
Hurts all too much  
Thats just a little more than I wanted to know about love  
About love
