

# Regina Spektor, Becoming All Alone

I went walking home alone  
Past all the bars and corner delis When I heard God call out my name And he said Hey  
Let's grab a beer  
It's awful late  
We both right here  
And we didn't even have to pay Cause God is God and he's revered And I said  
Why doesn't it get better with time I'm becoming all alone again  
Stay, stay, stay

Let the ones who want it bad  
Get all the things that make them better Let the ones who don't care feel a thrill And I just want to r  
But this whole world  
It makes me carsick  
Stop the meter sir  
You have a heart  
Why don't you use it

Why doesn't it get better with time I'm becoming all alone again  
Stay, stay, stay

I went walking home alone  
past all the bars and corner delis When I asked God  
Please call  
Call my name  
And I said Hey  
Let's grab a beer  
It's awful late  
I know you're here  
And we wouldn't even have to pay Cause You are God and You're revered

Why doesn't it get better with time I'm becoming all alone again  
Stay, stay, stay  
I'm becoming all alone again
