

Regine Velasquez, Say That You Love Me

Say That You Love Me
by: Regine Velasquez

My morning starts to shine
With teardrops in my eyes
And here I am alone starting to realize
That my days would be brighter
If I could learn to hide
The feeling that I have for you
Keeps hurting me inside

Then my days begin
With simple thoughts of you
Hoping that tomorrow will be me and you
Sharing dreams with each other
And making them come true
Holding one another, saying all "I need is you"

But will you say that you love me
And show me that you care
Say when I need you
You will always be there
But if you go and leave me
This I swear is true
My love will always be with you

Now my nights would end
With just one wish, that's you
To hold me in the dark

And help me make it through
'Cause the pain that's inside me
Would simply melt away
If I had you here with me
And promise me you'd stay

But will you say that you love me
And show me that you care
Say when I need you
You will always be there
But if you go and leave me
This I swear is true
My love will always be with you
Ooh, ooh, ooh

Instrumental

But will you
But will you say that you love me
And show me that you care
Say when I need you
You will always be there
But if you go and leave me
This I swear is true
My love will always
My love will always
My love will always be with you

My love will always be with you
