

# Regine Velasquez, With A Smile

With a Smile

Lift your head, baby, don't be scared  
Of the things that could go wrong along the way  
You'll get by with a smile  
You can't win everything but you can try

Chorus1

Baby, you don't have to worry  
Coz there ain't no need to hurry  
No one ever said that there's an easy way

When they're closing all the doors  
They don't want you anymore  
This sounds funny but I'll say it anyway

Girl I'll stay through the bad times  
Even if I have to fetch you everyday  
We'll get by with a smile  
You can never be too happy in this life

Chorus2

In the world where everybody  
Hates a happy ending story  
It's a wonder love can make the world go round

(And/But) don't let it bring you down  
And turn your face into a frown  
You'll get along with a little prayer and a song

Ad Lip

(Toodoodoodoo')  
Let me hear you sing it  
(Toodoodoodoo')  
(Repeat Chorus2)  
(Repeat 1 except last 2 lines)
