## Regurgitator, C'Mon

... kick it with the hobo sound We... lofi right down to the ground And... good to see you do what you do Yeah... i see you swinging like a danny larue Huh... everybody bringing it around We... match with you pound for pound Ooh... make room cause we're comin to stay Everybody getting funky like a shawn mccay Boo... never short on the bass Ah... hit you like a slap in the face Yeah... yeah you know we aim to please Like a burger with cheese will give you heart disease Ugh... i can tell you're rockin it raw Now ... knockin it on the dance floor Woo... dont forget to come up for air All you blue face boogies junkies gimme the scare Check... someone tell me if we're comin through clear No... lean to let me chew in your ear Now... play mind if you got it to spare Exits... here and there and all over the where All... dressed up but with no where to go Yo... shut the fuck up and get on with the show Huh... come again when you give me the what Replay put your ten cent coin in the slot Bounce... more bounce than the pet flea Blubbub... ad like mr kinski Species disco only one of a kind Faeces tres chaud yeah we're doin it fine Bla... quixotic ilke the word of the carvantes Scratch... tell me you can hear the drums hernandez... Bo... he cuts the wax like a fugu fish That means he takes all care Like a model at a bris
