

Regurgitator, Fat Cop

yeah yeah yeah yeah

yeah yeah

fat cop heh...look what you got

it's not a lot when you're out on the job, you spot
with all of them criminals are out on the action
and you just got time 90% of the fraction
staking out the food halls and filling up the semis
save a bit for later cuz your belly's getting heavy
ya hit the 7-11 now you find yourself in heaven
with all the booty there you could possibly imagine

oh my god hey just jump back

and make a little way for the blimp in the blue hat

oh my god hey well just jump back

and make a little room for the blimp in the blue hat

fat cop hey...fat cop

yeah yeah yeah yeah

fat cop hey...fat cop

yeah yeah yeah yeah

yeah yeah

you got me running and there ain't nobody follows
and now i'm in the clear cuz he's got himself a freddo
the wrapper flips and covers up his eyes
but he just stops still with no point to try
well just be meek don't scream and don't shout
but just let him tell you what he thinks it's all about
there's food on the table and there's food in his car
there's food in his face even hours after dark

oh my god hey just jump back

and make a little way for the blimp in the blue hat

oh my god hey well just jump back

and make a little room for the blimp in the blue hat

fat cop hey...fat cop
