

Regurgitator, Ghost

i saw a ghost beside my bed
she said to me she wasn't dead
she wore a ribbon in her hair
she smiled and vanished in the air

is she real or am i going crazy? (x2)

i couldn't sleep, lay still and thought
about her eyes and smile i adored
she had a way i'd never seen
i fell in love you won't believe

is she real or am i going crazy? (x2)

in the morning when i awoke
there was no surprise just sun and more
but what is that there i see?
a ribbon on the floor for me

she is real and i'm not crazy (x2)
