Thinking and driving down the street  
Commercialism is all I see  
Advertising as I'm passing by  
Wonder why they waste their time on me  
Same story with the TV screen  
Trying to sell me something I don't need  
Or I could win it at the quiz me show  
Is this real life? I'll never know  
I know this  
Buying things is not why we exist  
Nothing good can come of this  
Who's getting rich?  
Who'll have a good time?

We've been getting bought and getting sold  
It goes on it's never getting old  
Trying to find the lap of luxury  
You'll lose sight of your identity  
And sometimes I think of what they said  
"The more you have, the happier you get"  
Cuz even though I've got a lot of shit  
I guess I could use a little bit more

I know this  
Spending money has something addictive in it  
Nothing good can come of this  
Who's getting rich?  
Who'll have a good time?

They're getting rich  
and I give a shit
