A shooting star fell down to earth lightning cracked the sky something weird is happening something I can't deny A strange kind of magic running through my brain feel I'm in heaven or going insane 'Cause everytime we touch I get this feeling and everytime we kiss I swear I could fly can't you hear my heart beat fast I want this to last need you by my side 'Cause everytime we touch I feel the static and everytime we kiss I reach for the sky can't you hear my heart beat so I can't let you go wan't you in my life The wind was like a hurricane storm clouds filled the sky I heard a crash of thunder the earth shook in reply a strange kind of magic running through my brain feel like I'm in heaven or going insane 'Cause everytime we touch I get this feeling and everytime we kiss I swear I could fly can't you hear my heart beat fast I want this to last need you by my side 'Cause everytime we touch I feel the static and everytime we kiss I reach for the sky can't you hear my heart beat so I can't let you go wan't you in my life 'Cause everytime we touch I get this feeling and everytime we kiss I swear I could fly can't you hear my heart beat fast I want this to last need you by my side 'Cause everytime we touch I feel the static and everytime we kiss I reach for the sky can't you hear my heart beat so I can't let you go wan't you in my life Cause everytime we touch...
