

Reilly Maggie, Wind On The Water

Far away
But still I hear your call
My heart overflows
When I'm thinking of you
Oh, but if wishing made it so
I would be borne again
Across the ocean
Silent waters
Carry me back
Through the morning light
Bathed in beauty
All around me
Till the moment
When I come home to you
Till the moment
When I come home to you
Till the moment
When I come home to you
Till the moment
When I come home to you...
