

# Relient K, Chapstick, Chapped Lips, And Things Like Chemistry

Okay, so, who doesn't own a cell phone  
Who brought back their permission slip?  
Because I know, nobody wants to stay at home  
While the rest of us go out and make a day of it

'Cause theme parks are so much more fun when the sun's outside  
And I lost my phone to the lake beneath the Batman Ride  
They started something, I don't wanna begin it  
They're looking for trouble, but with me, it won't be found  
And I regret that I'm completely out of daytime minutes  
And so I guess I'll have to wait a while till 8 o'clock comes around

Okay so, who doesn't own a cell phone?  
Well I don't need to ask my friends  
Because I know  
Mine was fastened to my jaw bone  
Thanks to all those nights and weekends

'Cause theme parks are so much more fun when the sun's outside  
And I lost my phone to the lake beneath the Batman Ride  
They started something, I don't wanna begin it  
They're looking for trouble, but with me, it won't be found  
And I regret that I'm completely out of daytime minutes  
And so I guess I'll have to wait a while till 8 o'clock comes around

When it comes to relationships (I'm the dumbest one)  
And I don't mean just with girls (I mean with everyone)  
Your illustrations always point out just what's wrong with me  
It's chapstick, and chapped lips, and things like chemistry

Can I relate to you the way you relate to me?  
Can you help me out with my chemistry?  
I don't wanna be perceived the way I am  
I just want to be perceived the way I am
