

# Relient K, Curl Up And Die

I don't like the steps I took  
To get to look  
Into your deepest feelings

And I don't like the place I'm in  
Headspace within  
The hardwood and the ceiling

Cause if I'm restless then why do I  
I want nothing more but to rest my soul  
And I don't get this and I know why  
You see somethings are just beyond control

But I don't mind  
But I'm not suprised to find that you do  
I'm not suprised to find that you do  
I know you do

And I feel fine  
But I know the same does not apply to you  
I know the same does not apply to you  
So I guess that I'll curl up and die too

Clinging to the remnants of perfection  
Like most do after they break it

Not knowing which direction's the correct one  
Do I discard or remake it

Cause if I don't know then I don't know  
But I may know someone who knows me more than i  
And if I somehow could rest this soul  
Maybe control could find its way back into my life

Well I don't mind  
But I'm not suprised to find that you do  
You see I know that I have done all this to you  
To you

And I feel fine  
But I know the same does not apply to you  
I know the same does not apply to you  
So I guess that I'll curl up and die too

Yeah I'll up with you until I die with you  
Yeah I'll up with you until I die with you  
Yeah I'll up with you until I die with you  
Yeah I'll up with you my baby, yeah my darling, until I die with you  
Yeah I'll up with you until I die with you-oooo
