

Relient K, Five Iron Frenzy Is Either Dead Or Dying

Five Iron Frenzy
They were good,
They were good,
They were really really really good.

Five Iron Frenzy
When you see them,
We really really think you should
Thank them for giving
Their blood, sweat and tears
Yeah, their music
We won't let it stop
Then 'tank' them
Until they get angry
And bite you
And then go get yourself
A tetnus shot

Hyah!
