

Relient K, Five Iron Frenzy Is Either Dead Or Dying

Ya ba ba ba!

Five Iron Frenzy (Oh, oh, oh)

They were good, they were good, they were really, really, really good

Five Iron Frenzy (Oh, oh, oh)

When you see them, we really, really think you should

Thank them for giving their blood, sweat, and tears, yeah

Their music, we won't let it stop

Then taunt them until they get angry and bite you

And go get yourself a tennis shot

Hyeah!
